END POINT ASSESSMENT (EPA)

The EPA takes place once you have completed your on-programme learning and your readiness to complete the apprenticeship has been determined. The EPA enables you to prove your competence in the role of a digital marketer and will be facilitated by an independent End Point Assessment Organisation (EPAO). Your employer and TCHC Learning Coach will guide you through your EPA and advise you on the best approach to take towards your assessment.

What does the EPA consist of?

For the Assistant Accountant Level 3 course, you are required to complete two assessments. The two methods of assessment will build a cumulative picture of how well you have met the requirements of the apprenticeship standard. The overall grade you are awarded is a holistic judgement of all EPA requirements, none of the assessments are graded individually. FAQ's

Do I have to be in full-time employment to enrol onto this course?

In order to enrol onto one of our courses, you must be employed a minimum of 30 hours per week. If you are not already employed in a role that meets our entry requirements, we will work with you to find a suitable role that supports your career aspirations.

If I apply for a job vacancy as part of my course how much will I be paid?

Each vacancy we advertise is different and the salary you receive will be dependent on the employer, role and industry you apply for. The roles we advertise are apprentice positions, however, we encourage our employers to pay above the NMW for apprentices and many of our positions include performance related incentives. Further guidance on the NMW for apprentices can be found online at www.gov.uk/nationalminimum-wage-rates.

Will I be entitled to paid annual leave whilst studying?

Throughout your programme you will be entitled to the same statutory leave entitlement and have the same right to Statutory Sick Pay (SSP) as other employees. To calculate your statutory leave entitlement please visit www.gov.uk/holiday-entitlement-rights.

What happens if I fall behind?

Your tutor will be closely monitoring your progress with regular reviews to ensure you are on track. If at any point your development is not where it should be, your tutor and employer will work with you to update your individual learning plan and ensure you get up to speed.

What happens if my employer doesn't allow me time to study?

All employers are legally required by the UK Government to allow you 20% of your contracted working hours to study towards your course. If you are having difficulties with your employer, please speak to your learning coach.

What happens when I finish my course?

At the end of your course, if we have placed you into your role, your employer will decide whether they will continue to employ you as a full-time member of staff and you'll have the opportunity to decide which steps you take next. Your tutor will talk to you about career progression and you may also wish to progress onto a further training course with TCHC Group.
